

The Grande Alberta Economic Region (GAER) has been working on new resources for the region – and they are done!

We would be delighted if you would join us to launch two new valuable tools for you to use.

Now available, a new brochure – **Help Wanted – Labour Market Strategies and Resources for Employers**. This brochure provides a compilation of best practices for strategies to deal with the labour shortage of businesses operating throughout the region.

Come and check out our new **Immigration webpage**. The webpage provides an extensive web-based list of resources for employers and those providing services to new immigrants to our GAER region.

GAER is hosting three “Show and Tell” events and we want you to be there!
