

### Foreign Worker Readiness Seminar

The Grande Alberta Economic Region (GAER) is pleased to announce that it will be hosting a Foreign Worker Readiness Seminar in Edson on February 1, 2006. This information is for Alberta employers who are unable to fill skilled job vacancies. They can benefit from workshops on the process and benefits of hiring skilled foreign workers on either a temporary or permanent basis. For further information on this session please go to the GAER website at <http://www.grandealberta.com/news.htm> or call Chris at 780-723-7706 or toll free at 1-866-723-7706.

### Euromission 2006

See the GAER website at <http://www.grandealberta.com/news.htm> for information on Euromission 2006 for employers wanting to attend or advertise their job opportunities.

Also, employers who want to promote their opportunities in person may attend the Canada Job Fair - March 20 - 24, 2006 in Rostock, Leipzig, Munich, Germany

The Canadian Job Fair in German will be organized by the German Federal Ministry of Labour (ZAV), Alberta Economic Development, and the Alberta Munich Office. Alberta employers can attend the job fair to conduct one-on-one interviews with potential German workers to fill skilled shortages.

ZAV will pre-screen the German workers based on the employment opportunities sent to them by the Alberta employers. These qualified pre-screened workers will be invited to the job fair.

If you are interested in Euromission 2006 and/or would like to submit job opportunities and/or would like to attend the Canada Job Fair you can go to our website at <http://www.grandealberta.com/news.htm> or you can contact Economic Immigration at the following:
